

The Northwest Fire & Rescue Exposition

Presented by The Northwest Fire Equipment Dealers Association

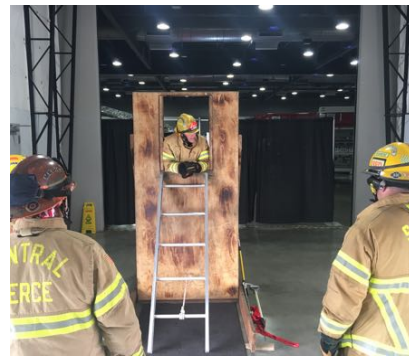

The 2019 Northwest Fire & Rescue Expo *"Make the Connections that Count!"*

The largest show of its kind in the Northwest! Over \$450 million worth of equipment & products displayed in over 100,000 square feet of exhibit space and marketed directly to industry specific attendees.

We invite you to join our family of exhibitors and reach attendees from the Fire & EMS industries around the region.

May 16 & 17, 2019

Wednesday, May 15, 2019

Exhibits Open:

Thursday and Friday, May 16 & 17, 2019

Seminars for 2019:

Back by popular demand: Dr. David Griffin!

Dr. Griffin delivered an amazing seminar at the 2018 event and we're welcoming him back again this year. Also, additional speakers will be added to the schedule.

Check our website for more info!

The NW Fire & Rescue Expo is an exhibitor driven show. As such, we provide an unprecedented amount of exhibitor perks and helpful booth additions...at no extra cost!

- Cost efficient booth rent - lower than similar shows and inclusive of these great perks
- 10'x10' booths include 8' back drape and 3' side dividers. Open floor space is not draped
- One 8' table and 2 chairs
- Each booth is equipped with a 600-watt, 120-volt outlet.
- Unlimited exhibitor badges for company representatives
- Parking pass provided, one per company
- Exhibitor listing on the NW Fire & Rescue Expo website
- Exhibitor listing in the Show Edition of the 5th Alarm magazine
- Easy to use exhibitor forms containing comprehensive show information; available online and by email
- Complete contact list of all attendees emailed directly to you after the show
- Free lunches provided for exhibitors and attendees
- Vendor's lounge is provided with refreshments and tables – perfect for meeting with customers
- Free WiFi throughout the exhibit hall
- Affordable advertising rates in our official publication: The 5th Alarm. Mailed directly to fire departments, ambulance companies, rescue squads, search & rescue personnel, fire mechanics, commissioners, and district directors in the Northwest
- Social Media advertising opportunities on all of our platforms
- Sponsorship opportunities at multiple price points, from Challenge Coins to Seminar Room Drops
- An exhibitor meeting to give exhibitors a chance to give input & impact show direction
- Trade show centric - we schedule all seminars and auxiliary events with the central thought of minimizing the time attendees are off the show floor
- No hidden fees, no additional costs for corner spaces, no run around
